

INTRODUCTION

This guide has been developed by Crawford & Associates, P.C. from codified State statute publications and is intended to serve as a reference tool for quick identification of Oklahoma State laws applicable to municipal finance and accounting issues. This guide is not intended to be an all-inclusive summary of all statutory provisions applicable to cities and towns, but it is designed to assist municipal officials and auditors in identifying provisions of State law for further research. The topic areas addressed in this guide are as follows:

- [Forms of Municipal Government and Officers Duties](#)
- [Legally Required Funds](#)
- [Municipal Budgeting](#)
- [Deposits and Investments](#)
- [Revenue Restrictions](#)
- [Debt Restrictions and Limitations](#)
- [Payroll, Purchasing and Spending](#)
- [Public Trusts and Authorities](#)
- [Miscellaneous Provisions](#)

An important point to be noted is that this guide addresses Oklahoma State statutes only. Each local government may have a charter, code of ordinances, and/or resolutions that may provide more stringent requirements than these State laws. On subjects of local interest only (seek legal counsel advice on the definition of these items), where conflicts of law exist between State statutes and the local law, normally the local law will prevail. However, in subjects that are not of local interest only, generally the more stringent requirements will prevail, whether in State law or local law.

In monitoring compliance with legal requirements applicable to municipalities finance and accounting, one should become familiar with requirements that may go beyond State statutes, such as the following:

- Laws
 - Federal
 - State
 - Local
- Regulations
 - Federal Circulars
 - State Agency Regulations
 - Local Resolutions and Policy
- Grants and Contracts
 - Grant Awards
 - Trust Indentures
 - Bond or Note Indentures
 - Employment Contracts
 - Union Contracts
 - Purchase Contracts
 - Wills and Trust Documents

This reference guide, to be effectively used, requires annual update each legislative session. This version has been updated through the 2019 session of the Oklahoma Legislature.
